

GPL does it for the fifth time in a row

GODREJ Properties Ltd (GPL) has been selected as one of India's Top 10 Builders at the Construction World Architect and Builder Award ceremony held in Mumbai recently.

The selection of winners involved a perception-based survey, conducted by Construction World, among an audience consisting of industry professionals, architects, realtors, consultants, contractors and building material manufacturers. The survey was conducted over three months and the respondents were selected from all over India.

Milind Korde, Managing Director, Godrej Properties Ltd, said, "It is a privilege to be selected as one of India's top 10 builders for five years in a row. We are happy to receive this award and we thank all respondents and jury

members for showing faith in our company. We will continue to innovate and implement processes that will set benchmarks for the industry."

Established in 1990, GPL brings the Godrej Group phi-

losophy of innovation and excellence to the real estate industry. The company aspires to soon be among India's top three real estate companies while continuing to be the most trusted name in the industry.

GPL has completed several landmark projects and is currently developing significant projects in 11 cities across India
